Institutional Distinctiveness

The college has its distinctiveness in providing quality education in agriculture at the lowest fees-structure since 1956. Our college is the only Government-Aided College of Agriculture of Uttarakhand. Its lowest fees-structure with quality education is the main attraction to the students of Uttarakhand and other states opting agriculture. The college provides PG and research programmes in two subjects viz., in Agronomy and in Agriculture Botany (Plant Breeding and Genetics). The College has produced so far many teachers, scientists, PCS officers and other officers. Besides agriculture, the college also runs two programmes viz., Arts and Commerce under Self-Finance at the nominal fees-structure. The college being situated in rural area it is more useful to rural students and to those from remote places. Besides Uttarakhand, students from other states such as UP, Bihar, MP, Chhattisgarh Haryana, Rajasthan and Himachal Pradesh also come here to obtain their higher education. The college has highly qualified teachers. In the faculty of agriculture most of the teachers hold Ph.D. degree and a few are ASRB NET qualified. Faculty members of the Arts and Commerce faculty are also highly qualified.
